ST. MICHAEL Special School PARENTS' ANNUAL GIVING DRIVE

A MESSAGE FROM OUR PRINCIPAL

Dear Parent:

We are inviting you to participate in one of the most important events at St. Michael Special School, our Parents' Annual Giving Drive (PAG). We ask that you embrace the importance of closing the gap between tuition and the actual cost of educating our students, our "blue roses." The GAP for the 2016-2017 school year is \$8,192.

Our goal is to have every family participate in the PAG Drive. We hope you will seriously consider donating at least half of the GAP amount (\$4,096).

Your participation is critical to a successful campaign. We thank you in advance for your support.

Many blessings,

Dian Save Mg

Tish Sauerhoff Principal

MISSION STATEMENT

St. Michael Special School provides a Catholic environment where students with special educational needs are able to grow in faith and reach their full potential – academically, socially, and physically.

St. Michael Special School does not discriminate based on national or ethnic origin in the administration of educational policies, admissions policies, financial aid or athletics as well as any other school administered programs.

FAQs

What if I can't afford to contribute the full GAP?

Participation is what's most important. St. Michael Special School relies on the generosity of parents who are able to contribute the GAP or more, as well as those parents who do their best to make up the difference in tuition and the actual cost of education. A goal of the drive is to have every family participate in a personally significant way.

How do I participate?

You may pledge online at www.stmichaelspecialschool.com or mail your pledge card directly to St. Michael Special School.

When can I make my donation?

You may write a check or donate online at any time. We hope to receive all **pledges by April 13th** and **donations by May 19th**. Some parents make a lump sum donation; others prefer installment options.

Tell me about Matching Gifts.

Some companies have matching gift programs that benefit schools like St. Michael Special School. If you or your spouse work for a company that has such a program, a matching contribution will maximize your donation, because you receive credit for the total amount of both gifts.
